

DCF Meeting
March 22nd, 2023

To the attention of DCF members:

4th Global Round of the GPEDC Monitoring Exercise (2023-2026)

Bosnia and Herzegovina will participate in the **2023 Global Partnership monitoring**, launched for assessing the progress made in implementation of the 2030 Agenda for Sustainable Development and taking part in the collective efforts to enhance dialogue, learning and action for more effective partnership.

Ministry of Finance and Treasury of BiH will lead the monitoring exercise of the Global Partnership, and government official that will represent Ministry at the 4th round (2023-2026) is **Mrs. Dušanka Basta**, Assistant Minister for Financial Planning of Development and Coordination of International Economic Aid.

Country-led exercise measures efforts to make development co-operation more effective on the ground, following the four effectiveness principles: **country ownership, focus on development results, inclusive partnerships, and transparency and mutual accountability.**

Phases of the monitoring process at country level:

The Inception phase in Bosnia and Herzegovina has already started.
